NEWSLETTER

ISSUE 2

FRIDAY 14TH SEPTEMBER 2018

Reading

The children have all been busy completing reading assessments. Over the coming days the children will start bringing home reading books with a new reading diary.

Please could we ask that the children are heard read at least three times a week and then the reading diary signed. Many thanks.

Uniform

We have received many compliments from visitors to the school about how smart the pupils look! Well done everyone!

Please can we remind any parents who still haven't got all of the uniform to do so as quickly as possible. RAM leisure will deliver the uniform required to school free of charge. Their website address is <http://www.ramleisure.com>

Drinks Bottles

Please could we ask that the water bottles which the children were given towards the end of last school year are used for water.

These bottles are for the children to have in their classrooms during learning time. If they would like to bring a drink for dinner time then please bring in a different bottle which they can have during dinner time.

Brilly Tilly Learner

Just before the Summer Holiday the children had a sheet to design a superhero for the school. So far only one has been returned.

If you have lost the sheet and would like to have a go please ask Mr. Spicer for another copy.

Mr. Spicer's Friday Challenge

A big thank you to everyone who gave in some information about Wilfred Owen last week.

This week I would like you to find out about Sir John Talbot, tell me your top three facts about him. Happy hunting!

Staff Profiles

We have had the great pleasure to welcome lots of new staff to the team at Tilstock, we didn't quite get all of the staff done last week so here are the rest of the profiles.

Mrs White-Culf

I am really looking forward to working with the children, parents and staff at Tilstock this year! I work in Owen class with Mrs. Scott and the wonderful children in Year 1,2 and 3. I enjoy art, gardening, camping and spending time with my family.

Mrs Wiltshere

I have worked at the school as a lunchtime supervisor for many years. In my spare time I raise funds for the renal units at the Shropshire Hospitals, a task which keeps me very busy!

Mrs Peate

I have been working at the school for many years as both lunchtime supervisor and cleaner in charge. Over the years I have seen lots and lots of children come and go. In my spare time I enjoy anything to do with Disney!

Mrs Mynard

I am Julie from Sir John Talbot's School, part of the Marches Academy Trust. I bring the lunches over every day and serve them, which I love. When I am not at work I like to go out with my family. I also have a cake company so I'm lucky enough to do fun things, in great places, with super people.

Daily Mile

From next week all of the children will be involved in our daily mile. All the children will need is a pair of trainers in school everyday to take part. The children will be encouraged to run, jog walk for fifteen minutes every day. The Daily Mile gets the children out of the classroom for fifteen minutes every day to run or jog, at their own pace, with their classmates, making them fitter, healthier, and more able to concentrate in the classroom.

SJT Open Evening

Sir John Talbot's School Open Evening takes place on Thursday 20th September. Year 5 and 6 pupils are encouraged to attend and see the facilities they have and talk to the staff
