### **school Planner**

The children have all received new homework/reading planners this week. Please could we ask that these are returned to school daily as they will be used for messages and homework. If you have any comments or messages for your child's teacher please feel free to write in the planner. We would also like to encourage the children to look after their planners which we are sure they will, if in the unlikely event they are lost they can be replaced for a cost of £5.

### **Harvest Festival service**

a big thank you to everyone who has already returned their slip for the harvest service and lunch on sunday 7th Oc - tober. We have been informed by rev. Elaine that there are a few places left for the lunch at the very reasonable price of £8 per adult with children eating free (Mr. spicer and Mrs. Kaminski are particularly looking forward to the lunch!) If you would like to come, please visit the school office.

### **Mr. spicer's Friday Challenge**

Thank you to everyone who came and told me about hurricanes last week.

This week I would like you to find out about the 1980's, as Mr. spicer was alive during this time, see if you can tell him a fact he doesn't know!

### **Head lice**

We have had reports of head lice from parents of children in each class over the last week. Please ensure that you check your child's hair for these unwanted visitors. Could we also ask that children with hair longer than shoulder length have their hair tied up, I am sure you would agree that prevention is better than having to treat hair. a range of treatments are available from your local pharmacy. More information can be found at [www.nhs.uk/conditions/head-lice-and-nits](http://www.nhs.uk/conditions/head-lice-and-nits)

### **school Field**

Please can we ask that our school field is respected, we have had several reports that dogs have been walked on our school field over the last week. We have also noticed several wooden fence slats have gone missing. The school field is a fabulous resource and we are happy for the community to use it outside of school hours, we do not want to have to withdraw the use of it.

## European Day of Languages

On Wednesday this week the year 5 pupils attended a languages morning where they took part in a variety of activities in a range of languages, including Spanish, French, Welsh and Latin. The children were so inspired by the Welsh we will shortly be offering Welsh lessons to the pupils at Tilstock! The morning was rounded off with a delicious chocolate pancake.

## Worship and School Leadership Council

We have now appointed our new worship and leadership council members, well done to everyone who was successful, over the coming weeks you will see a regular contributions to the newsletter from them. Well done!
