Minibus Transport from Whitchurch

Dear Parent/Carer

Please find below details of the transport arrangements that we are able to offer for transport to Tilstock from Whitchurch, in conjunction with Sir John Talbot's School, who like ourselves are also a member of the Marches Academy Trust.

Sir John Talbot's School currently operates four dedicated mini buses, driven by school employees who have been subject to stringent safeguarding checks and training.

Payment for the mini bus fare is collected by direct debit, with the cost for the thirty-nine week academic year, collected over ten equal direct debit payments commencing in October each year.

There is a standard fee to travel on the mini bus irrespective of where your child catches the bus. The cost is £350.00 for the academic year which is collected in ten equal monthly instalments of £35.00 and which equates to approximately £9.00 per week.

Should you have more than one child utilising the school transport, fees will be charged on the following basis:

First child - 100% of fee (£350.00 per academic year)

Second child – 75% of fee (£262.50 per academic year)

Subsequent children – 50% of fee (£175.00 per academic year)

Included with this letter is a Transport Safety Statement which details the minimum behavior expectations of children whilst travelling on the school provided transport. It is important that you and your child understand that should we have concerns about your child's behaviour whilst travelling on the school mini bus, we may at our discretion withdraw permission to use the transport.

If you have any questions or require any further information please do not hesitate to contact me.

Yours faithfully,

Mr J Spicer
