These newsletters will go out on a Monday morning this is to cut down on the amount of paper copies we send out on a Friday. If you do not email us we will assume you would still like a paper copy.

Water Bottles

Could we remind everyone that children can bring water bottles in during the day, please make sure the children have a bottle which can be opened and closed by the children as they may need to refill their bottle during the day.

Learning Powers

This week the children have been working on the enjoying learning, this has involved feeling proud of our achievements, using what we have learnt in real life situations and believing in ourselves. We have now looked at all eight of our learning powers over the last couple of months, we will continue to remind the children of the learning powers during weekly worship sessions and in class.
