

Owen class activity pack

Included in your pack are some activities for:

- Descriptive writing
- Maths recaps
- Reading comprehension tasks
- Topic challenges
- Suggestions for educational TV and tablet breaks

If you have any questions regarding your child's learning please email me. My email address is:

Thomas.l@mmat.co.uk

Other activities pupils could do include writing a diary entry for each day, researching The Tudors (previous topic) or writing a short story. An exercise book has been included.

These **activities should take an hour each**, with the topic challenges being as detailed as pupils wish for them to be. As KS2 pupils, all **students should go back and edit their work for errors**, be that spelling, punctuation or workings out in maths.

To support this pack it is recommended that pupils **do 3 educational activities a day, alongside regular exercise and consistent reading.**

Suggested timetable, each task lasting 1 hour:

Monday	Maths booklet	Descriptive writing	Reading
Tuesday	Reading	Free choice of activity	Maths booklet
Wednesday	Work on topic challenge	Reading	Descriptive writing
Thursday	Maths booklet	Descriptive writing	Reading
Friday	Maths booklet	Work on Topic challenge	Free choice of activity
