ISSUE 4

FRIDAY 9TH MARCH 2018

NSPCC Assembly

On Monday the NSPCC came into school and spoke to all children about what they should do if they have worries or concerns.

Homework Projects

Do not forget the homework projects are due in on Monday 26th March. We will then display the items in the school hall for parents to come and view on Wednesday 28th March from 2:30pm.

Whitchurch 10K & Children's Fun Run

If you would like to enter the Whitchurch 10K event on Sunday 8th April please visit www.regevent.co.uk and register by Wednesday 28th March.

A fun run for children aged 3-14 also takes place on the day with a 9am start. Register on the morning from 8am.

Mother's Day

Nursery and Year One have been busy drawing and working on Mother's Day cards. They have had a great time and the cards look lovely!

Science Taster Day

The Year 5/6 pupils will be visiting SJT next week to take part in a Science Taster Day. They will get the opportunity to learn about the planets and stars. Look out for pictures next week.

Hall Clock

We are delighted that the clock in the school hall is now back in fully working order after over 10 years. A new key and pendulum have been fitted by Bill Hollins from The Antiques Emporium, Whitchurch and the clock looks as good as ever.

The clock was made by J.B. Joyce, who are one of the oldest clockmakers around, based here in Whitchurch and have made clocks all over the world.

Upcoming Events

You should have received a letter giving details of several parent events coming up. These include:
