

Dear Parents and Carers,
I hope you have all had a restful half-term break. I enjoyed reading your emails and seeing all the super photographs, showing me how much you enjoyed the sunshine!

This week we have sent the new home-learning packs for the second part of our summer term, to children remaining at home during this term. These are also available on the website and as always, staff are on hand to support you and your child with any support you may need. Please keep in touch with us and continue to send us pictures, photos and emails to let us know how you are doing. We love hearing from you!

To parents of children who have returned to us this week, thank you so much for your help with the new drop-off and collection procedures. I've had some really positive comments from parents to say how calm and quiet the start of the day has been and I couldn't agree more - this has meant that children feel calm and safe, which is our priority. So thank you for your continued support and your positivity. This has helped us to overcome the challenges and changes we have had to face, which we will continue to do together!

Best wishes and take care.

Mrs R Kaminski
Head of School

Children of keyworkers:

Our provision for children of key workers will continue to operate between 8:45am and 3:10pm. Please use the hall door where Miss Thomas will collect your child. However, if your child is in EYFS, Year 1 or Year 6, than please use the required drop-off/collection point and procedure for that year group. This ensures that your child does not enter/exit through other classes and mix with other 'bubbles' of children. I will ensure that a member of staff is on these points at 8:45am to welcome your child into school.

They aim to provide a broad and balanced learning experience for your children, whilst learning at home and are totally free. Why not have a browse and delve into something new?

County Lines - Know The Signs

West Mercia Police are running a campaign to raise awareness of County Lines. They have been highlighting that County Lines drug gangs are exploiting young and vulnerable people across communities, even during lockdown. They are coercing them to sell drugs as well as get involved in other types of crime, using sophisticated grooming techniques which can often result in control through fear and violence. Know the signs. For further information [click here](#).
