

Dear Parents and Carers,

It's been another busy, but fun-filled week in school and I have been so glad to receive so many positive updates from parents and carers. Thank you for your continued support.

In school, we are making the most out of our outdoor areas and we are so lucky to have our Forest School area which all children have access to during the week. This week some of the children having been den-building, fire-making and even cooking smores!

Children at home, if any children require any support or would like any further learning resources, please get in touch with us. We are more than happy to help in any way we can!

Best wishes and take care.

Mrs R Kaminski
Head of School

Headteacher's Award

Well done to all our children for their fantastic work! Please look out for our virtual Headteacher's assembly on our Facebook page, where I will announce this week's winners. I will also email parents to notify you individually. Please continue to send their achievements to kaminski.r@mmat.com to be considered for next week's Headteacher's awards. Remember you can also share your home learning news with our school community in the pinned post on our Facebook page!

Assemblies

It is also great to see the introduction of some remote collective worship for primary school children, on You Tube, go to: <https://www.youtube.com/channel/UCmEMvgYPXWx8qwOYpsrTaGQ> every Tuesday and Thursday morning at 9:45am. The assemblies include a real life introduction, a song, a Bible story and, a reflective craft activity for pupils to complete afterwards.
