

Weekly home learning sheet

Class: Otters	Year group: 4	Teacher email for queries: Thomas.I@til.mmat.org.uk
----------------------	----------------------	--

Please log onto class dojo each day where you will find a daily short video from your teacher, explaining each day's tasks. If you have trouble logging in or need access, please contact your child's teacher.

Each day there will be a daily maths task, daily literacy task along with a daily topic task.

When each task is completed – your child's work can be uploaded to their profile on Class Dojo where your child's teacher can view completed work. They can then 'mark' and provide 'feedback' specific to your child.

Each week your child's teacher will arrange either a Microsoft teams meeting or a phone-call with your child. They will be in touch to organise this with you directly with your preferred method.
