

Weekly home learning sheet

Class: Squirrel Class

Year group: 1

Teacher email for queries:
gillespie.j@til.mmat.org.uk

Please log onto class dojo each day where you will find a daily short video from your teacher, explaining each day's tasks. If you have trouble logging in or need access, please contact your child's teacher.

Each day there will be a daily maths task, daily literacy task along with a daily topic task.

When each task is completed – your child's work can be uploaded to their profile on Class Dojo where your child's teacher can view completed work. They can then 'mark' and provide 'feedback' specific to your child.

Each week your child's teacher will arrange either a Microsoft teams meeting or a phone-call with your child. They will be in touch to organise this with you directly with your preferred method.

Daily Maths Learning Tasks overview

Monday	Measurement – Measuring the length of objects using non-standard units.
Tuesday	Measurement – Measuring the height of objects using non-standard units.
Wednesday	Measurement – Measuring the length and height of objects using a ruler.
Thursday	Measurement – Measuring the length and height of objects using a ruler.
Friday	Measurement – Measuring the length and height of objects that are longer than a ruler.

Daily Literacy Learning Tasks overview

Monday	Cold Write – Describe a toy shown in the videos.
Tuesday	Create a video explaining which or your toys is your favourite and why.
Wednesday	Write a present tense description about your favourite toy.
Thursday	Write a present tense description about the first picture in our class book.
Friday	Write a present tense description about another picture in our class book.

Topic/Science/RE Work task overview

Monday	Art Challenge! The Great Wave – Katsushika Hokusai
Tuesday	Science – Life Cycles Learning about what life cycles are, and why they are important.
Wednesday	History – WW2: The Blitz Learning about what the Blitz was and how the people of Great Britain handled it.
Thursday	History – WW2: Spitfire Make a model Spitfire.
Friday	RE – Easter: Why Was Jesus Born? Watch a video showing why Christians believe that Jesus' birth is so important. This knowledge will help us to understand the importance of Easter over the next few weeks.
