Talking Heads

Friday 18th June 2021

Dear Parents and Carers,

As we continue to work through the ever-changing government guidance, our priority is always the safety and wellbeing of our children and our families. Coming to the end of the school year, coupled with transition into new classes and schools, can bring about a lot of emotions. I want you to know that as a school team, we are here for you - if there is anything you need support with, let us know – we are here to help. This could look like access to resources, referrals for support or just a coffee and listening ear.

On that note, I thought it would be useful to share with you, at various points throughout the year, some reminders about key people you can contact in school if you have any safeguarding concerns. Similarly, safeguarding issues locally and nationally change over time, as things such as new apps and online games present new and different risks to children. We felt that updates about these risks, as well as useful resources for help advice, would be helpful to you. You will receive the bulletin via email - look out for it and if there is any other advice that you feel you would benefit from, please do let us know.

Mrs Rowena Kaminski
Head of School

REMINDERS & NOTICES

Requirements for PE

If children wear studs in their ears when they attend school, these **MUST** be removed for PE. Staff will not be able to remove earrings or put them back in, so children must be able to do this themselves or should not wear their earrings to school on the day they have PE.

PD Day

The normal PD in the Spring term was postponed, due to lockdown, and has been moved to the 12th of July 2021. Please note that school will be closed to pupils on that day.

Village Hall Parking

The builder from the site opposite the village hall has been in touch to say that the signs he has put up on the access road are not relevant to our parents parking on the village hall - please continue to park there!

WORSHIP

This term, in worship, we will be focusing on the value of truthfulness.

Our worship next week of term, will focus on 'Telling the whole story'. If your child would like to write a prayer for worship this week, please share with your class teacher.
