

Dear Parents and Carers,

To celebrate the fabulous new extension to the school which hosts two new classrooms, an official opening took place this week. Local TV personality and British auctioneer Christina Trevanion, who owns Trevanion a local auction house and valuers in Whitchurch, attended to [open the new building](#).

We also hope to have a parents' evening soon, to be able to share these new spaces with you.

On Thursday, the children enjoyed the ProStrike event. The response from our children was incredible. They managed to raise a total of £900 for the school, which is phenomenal! A huge thank you for your support with this. The funds will be spent on resources and equipment for the children. Please bring in any remaining sponsorship.

Also, the first of our parent workshop sessions took place on Monday with Miss Thomas leading a very engaging and interactive session about phonics. It was wonderful to welcome parents into the hall and the feedback was very positive. We hope to see you again at the next parent events detailed below.

Take care and have a lovely weekend.

Student Spotlight

Georgia received a badge last night at rainbows which she was very proud of. Of all the badges she has achieved, she was most proud of this one as it was the drawing badge. Georgia spends hours at home drawing and takes great pride in her pictures. To complete the badge she had to draw a self-portrait, draw her senses and draw a picture bigger than herself which she drew with dry wipe marker on a large mirror! Georgia thoroughly loves rainbows and is looking forward to achieving new badges.

Let us know if you have any news to share next week!

WORSHIP

This half term, in worship, we will be focusing on the Christian value of Respect. If children have any prayers or pictures, linked to this theme, that they would like to share during this special service, they would be very welcome to do so.
