**Issue:** 02

What the pupils of Tilstock Primary School have enjoyed this

Lauren reports that she enjoyed forest school this week and so did Poppy! Bumblebees have learnt about their letters and numbers this week! Lauren reports that she has ten fingers! Another fact Poppy reports is that Tilstock School is amazing!

Bumblebees sat beautifully in class!

Archie reports that he really enjoyed Maths which was weighing and adding! Freya reports that she really enjoyed phonics this week where they are enjoying listening to their letters and sounds! In squirrel class Archie reports that they are learning about the Titanic and are enjoying learning all about it! They are learning about a Mammoth in English and are excited to learn what's going to happen in their new story!

The children loved it when the archer came in in assembly! They were very surprised!

Lily reported that she enjoyed playing with her friends this week! Toren reports that he enjoyed English where Otter class read the blurb of their story "Blue Whale" and are excited to see what the story brings! In Maths, Otter class have been measuring in meters and centimeters! Lily and Toren report that Queen Elizabeth the first locked two people in a tower for 5 weeks!

I thought that the children were excellent in church and they asked lots of amazing questions to the archer!

Christian reports that he has enjoyed measuring in Maths! And Badgers have enjoyed their book which is off to an amazing start! Christian reports that he enjoyed researching the Statue of Liberty! Badgers fact is that the State of Liberty is 93 meters tall!

I am very proud of Christian because he has so much resilience!

Coming up next week.....

Please donate used books to the box in Reception.
