## Talking Heads

Friday 29<sup>th</sup> April 2022

Dear Parents and Carers,

What a fun-filled week we have had! The children have delved straight into their new topics and it has been wonderful to see them engaged in their learning across the school.

Badgers have been learning about inventors and inventions over time and finding out more about classifying animals in their science topic. Otters had a superb history lesson on Henry VIII, discussing how portraits were used to show what a person's character was like, and Squirrels have begun looking at how Victorians enjoyed their holidays. I also thoroughly enjoyed joining in Bumblebees Forest School session on Wednesday, making Stickmen after hearing all about Stickman in their story-time. The summer term curriculum planners are on our website and your teacher has copies for each child.

On Thursday, some of our KS2 children joined the Times Table Smash at The Grange Primary School in Shrewsbury. They represented our school so well and they said the atmosphere and competing against other schools.

Today we have our termly Spelling Bee. I am looking forward to finding out the winners from these events later today, and I will make sure that we celebrate this in next week's bulletin.

Enjoy the bank holiday weekend, and we look forward to welcoming you back into school on Tuesday!
