

Dear Parents and Carers,

Welcome back!

It was so wonderful to see so many happy smiling faces at the gate this morning.

I have spent the day visiting class and joining in with their creative and engaging activities. I have been so proud of how they have all settled back in so quickly and have got stuck into their learning.

Each class is beginning their exciting new learning journeys. We have the 'Moon Landings' in Squirrels, The Industrial Revolution' in Otters and The 'Ancient Greeks' in Badgers. On our website you will be able to view your child's curriculum planner [here](#)

There is also this term's spelling list [here](#) and maths planning [here](#). As always, if there is any information you would like or want to find out a little bit more about your child's topic, please let us know and we will be happy to help.

As we settle into the new school year, and whilst children are getting used to new routines and new classrooms, sometimes we might need a listening ear or a bit of support. You are always very welcome to contact us for a chat, or have a chat with your child's teacher, but please remember Leah Vigon our Pastoral Leader. Leah is very keen to offer a non-judgemental and impartial 'listening ear', to provide support, advice and information to the families within our school community. She has access to a wide range of support, and is available to all families, so please get in touch if you would like to meet with her.

Have a lovely weekend!

Take care.
