

Dear Parents and Carers,

This week children in KS2 had a great time learning about the Hindu festival called 'Holi'. This was a great opportunity for the children to understand more about their current area of learning on Hinduism in RE and experience how this festival is celebrated in the Hindu religion.

We are looking forward to seeing and hearing about your science entries next week! - all the information is [here](#) and any questions or any support you need – please let us know. Parents will be invited to browse the hall between 2pm and 5pm on Friday 17<sup>th</sup> March to view all entries.

Enjoy the weekend!

Mrs Rowena Kaminski  
Headteacher

### REMINDERS & NOTICES

#### Attendance support

**Our School Day** - We open the school gates at 8.40am and school starts promptly at 8:50am. Children who arrive after 8:50am without good reason will be marked as Late. This means that their attendance for the morning will not count, even though they are in the building. For all pupils, school finishes at 3.00pm.

**Illness** - You must let us know by 9am if your child is too ill to come to school. We need a telephone call for every day of absence. Parents/carers are required to inform the school of the reasons for their child's absence. Simply stating 'not in' or 'unwell' gives us insufficient information to make an informed decision, and it may therefore be recorded as unauthorised.

If we do not hear from you, we will try to phone you or any of the contacts you have given us. If we cannot make contact, we will send a text and/or email letting you know that your child is not in school, and that we may make a Safe and Well Check at home.

### WORSHIP

**Our Value this term: ASPIRE** If any children have any examples of their own aspirations, or achievements they have made to inspire others, then please let us know!

#### Friday 17<sup>th</sup> March Comic Relief – Red Nose Day

Next Friday, children are invited to come in non-uniform for a £1 donation to comic relief!
