Talking Heads

Friday 24th March 2023

Dear Parents and Carers,

Science week was a great success. Mr Paterson welcomed Donald Pritchard, a STEM ambassador into school to build gliders, as part of their D&T project. Donald is a very experienced teacher who has very close links with Wolverhampton University. He donated the wood needed to build the gliders and provided such support to the children, linking physics to They learnt so much from such a passionate expert, and we can't wait to see these gliders in action!

Miss Smith welcomed Archer Jason Roberts into school to work with the children. Archery is great for co-ordination and balance. We were so proud of the children's positive 'can-do' attitudes, and they thoroughly enjoyed the visit.

The sun is finally out, so hopefully you will get to enjoy some time outside this weekend. *Mrs Rowena Kaminski*
Headteacher

REMINDERS & NOTICES

Badger's welcome display

Mateen and Riley proudly sharing our Welcome wall designed and created by Mrs Blakemore – we love it - it really captures the ethos of our school.

WORSHIP

Our Value this term: ASPIRE If any children have any examples of their own aspirations, or achievements they have made to inspire others, then please let us know!

Science Week

Donald Pritchard, STEM ambassador, with our Year 5 & 6 pupils, building gliders as part of their D&T project.
