

Dear Parents and Carers,

Wow what a busy first week back! On Thursday we enjoyed World Book Day with lots of immersive reading activities across the school and the costumes were fabulous! Miss Thomas organised lots of very special activities including staff swaps for book reading sessions. Lots of great learning enjoyed by all! Have a look at some of our photos below.

We also hosted a special Fun Science Assembly to get children inspired for the upcoming Science Fair on Friday 17th March. We are looking forward to seeing and hearing about the entries - all the information is [here](#) and any questions or any support you need – please let us know.

It is Parent’s Evening next week – please ensure you have sent your reply slips back to your child’s class teacher, any problems, let us know so we can help.

Enjoy the weekend.

Mrs Rowena Kaminski
Headteacher

REMINDERS & NOTICES

TILSTOCK TWINKLE TOTS!

12 months to 3 years

Bring your little ones along to join Miss Smith, our Primary Physical Education and Health Development Coach for weekly sessions to explore and develop their physical skills!

Encouraging them to get moving at an early age whilst having fun helps them develop their fine and gross motor skills, socialise and grow in confidence!

- Climbing
- Balancing
- Jumping
- Rolling
- Flexibility and stretching
