

Dear Parents and Carers,

Wow what a fantastic Science Day we had on Friday! We had such a great response from pupils across the school with a wide range of visitors, projects, and experiments. A big thank you to Skye Rolphe and Emma Portas who visited all classes to show how science is important in their job roles. The children have asked if we can have a science day every term, so we will have another one in July!

Thank you for all the Comic Relief donations for Red Nose Day – Ms Hamilton is counting up the funds raised and we will let you know the amount later this week.

Due to circumstances beyond our control, we have had to change the date of the whole school Easter Church Service to Tuesday 28<sup>th</sup> March at 9:30am. We hope as many parents can join us for this special event. We have the Easter Raffle which is 50p per ticket - please contact the office if you would like to be in with a chance of winning the bumper chocolate hamper!
