

Dear Parents and Carers,

Our new class curriculum planners have been completed and are now available on our website on your child's class page! These planners are a useful quick visual of what your child will be learning this term. We have further detailed plans under our curriculum tab on the website, but if you wanted a paper copy, or to know anything specific please don't hesitate to contact me or your class teacher and we would be glad to go through them with you.

After last week's newsletter on achievements, it was lovely to hear from two children in school who have both achieved outside of schools in both dance and drama. Please continue to share these inspirational events with us!

We know that it is vital that our children attend school regularly and punctually to achieve best life outcomes. We want our children to become the best versions of themselves; academically, socially and morally as they grow into the next generation of our community. Good school attendance is the foundation to this. Our attendance is improving, so thank you for your continued support to improve attendance.

I will be giving out awards for consistent, good quality completion of homework each half-term. Your class teachers will be selecting these awards, but if you feel your child has completed anything above and beyond, please let us know!

Enjoy the bank holiday weekend and see you on Tuesday!
