

Dear Parents and Carers,

This week has been a scorcher! Thanks for remembering to bring in those hats and shades to keep the children safe in the sun. Fingers crossed that the sun stays out for your half-term holidays next week.

On Thursday pupils in Badger Class went to The Civic Centre in Whitchurch to participate in the Trust Singing Festival. They proudly sang our school song 'in front of children from several other schools beautifully, before singing 'Rule the World' jointly with the audience – we were all so proud of their impeccable behaviour and courage.

We have had some fantastic homework shared with us this week. I want to create a display in school with children's 'Proud-Pieces'. If you fancy doing a little extra together to boost your child's learning, you can use your child's curriculum planner to see what they are learning this term here: [Squirrels](#), [Otters](#), [Badgers](#). Otters are learning about rivers- could you create a model of the water cycle? Squirrels are learning about hot and cold climates- could you create a fact-file on one of these? Badgers are learning about the Stone-Age. Could you visit local Souldon Long-barrow on the B5065 road to Wem to see their amazing stone monument inspired by Neolithic barrows built around 5,500 years ago? Be creative and please keep sharing your ideas and sending your photos in to us! You can email us on [admin@til.mmat.co.uk](mailto:admin@til.mmat.co.uk)

Next term, our final term of the year, will fly by and we have it jam-packed with events and activities for the children. Class assemblies will continue, starting with Bumblebees on the Monday 19<sup>th</sup> June. These are fantastic opportunities for the children to show off their knowledge and for you to find out more about what they have learnt this term- please see dates below for your child's class- we hope you can join us!

Enjoy the bank holiday and see you on Monday 5<sup>th</sup> June!

*Mrs Rowena Kaminski*

### Summer Fair!

It is going to be a good one - Please join us and support our school!

### REMINDERS & NOTICES

### Wow work!

Alys in Otter class has completed this amazing model of a rainforest in her spare time at home this weekend. She made this from the resources she had available at home. Alys was not asked to do this but wanted to do some extra home learning based on our rainforest geography topic this term and what an amazing job she did 🌳🍌🐼🦋🐸 Well done Alys for going above and beyond your learning ✨

### Attendance Reminders

Our focus remains on ensuring that attendance improves for every child, so that our pupils have the best possible chances to achieve their age-related outcomes in all subjects. Please support your child in ensuring they are in school, on time, as many days as possible.

### Student Spotlight

A photograph of Hector in Squirrel class, from when he won the 'Chase me Charlie', jumping 110cm on his pony Prince at Spring Bank Easter show. He also won best dressed in his Easter Bunny outfit! Well done Hector!

## UPCOMING EVENTS
