

Dear Parents and Carers,

I hope you all had an enjoyable Bank Holiday weekend! It was really special to receive so many photos and updates of how you celebrated the Kings Coronation. It was also really touching to receive so many notes of thanks for our Coronation Service and Coronation Teddy Bears. I know Reverend Sue will be so pleased to hear that you appreciated the day.

This week our Year 6s have sat their assessment tests. I have been blown away by their positive attitude, perseverance and how far they have come in just one school year. They are all a credit to their school and absolute Superstars! A big thank you to Mr Paterson and Mrs Blakemore for making the whole process so seamless and providing support where needed.

Next week we have our Open Day for anyone interested in our Nursery or Reception classes. Miss Upton and Mrs Finch have been preparing what sounds like an exciting day with Mini Olympics and Forest School activities. Please share the event with any friends or family who would like to find out more about starting their learning journey with us.  
No need to book- just pop in and see us between 10-11:00am or 1:30-2:30pm!

Have an enjoyable weekend – Marbury Merry Days looks like a lot of fun! (details below)

**Bumblebee Guinea Pigs**

Our children in Bumblebees were so excited to welcome in the latest addition to their class last week - we now have 2 gorgeous guinea pigs to take care of! The group absolutely loved reading books to them and drew lots of lovely pictures for them.  
Thank you, Mrs Finch!

**Friends of Tilstock School**

Would you be interested in helping support our lovely school? Did you know that we meet regularly throughout the year to:

- help organise and put on events like the school fairs
- work with the local community and companies, to fundraise for the school for things like trips and workshops for the children
- help upgrade classroom resources, equipment and school areas

If you would like to be involved or join us for our next meeting – please drop us an email or contact the school office!

### Attendance Reminders

Our focus remains on ensuring that attendance improves for every child, so that our pupils have the best possible chances to achieve their age related outcomes in all subjects. Please support your child in ensuring they are in school, on time, as many days as possible.
