

Dear Parents and Carers,

This week gave a poignant reminder of why we are so unique as a school and have the children at the centre of everything that we do.

The Coronation this Saturday, we will be a huge moment in history for our children. They will look back and remember it, and we wanted to make it special for them. We also wanted to ensure that the children could understand what the Coronation was, and what it meant to them, to the Church and to our country.

On Wednesday the children walked to Christ Church, Tilstock to take part in a very special service.

Reverend Sue asked the children ahead of the service to recreate the Orb, Sceptre and Crown, and used these to recreate the special event along with a red throne. They created some very fine pieces and presented these during the service.

A special guest arrived to join in the service - an organist from Whitchurch joined the children for the service to play a special piece of music composed by Sir Edward German, that was played at King George VI Coronation. The children were mesmerised.

Finally, Reverend Sue shared her own very special gift given to her at Queen Elizabeth's Coronation in 1952 - a very special pen that she has carried with her throughout her life.

The children were then told that the School and the Church had joined together to ensure that every child had a special gift - a Coronation Teddy with King Charles III emblem on the front and their school logo on the back. This was only made possible with a very generous donation from the Tilstock PCC. The children were delighted with their special teddy bears and will have them to remind them of a very special day!

Enjoy the bank holiday weekend – we would love to see how you celebrate the occasion- send any photos of your Coronation celebrations in to [admin@til.mmat.co.uk](mailto:admin@til.mmat.co.uk) so we can share in next week's bulletin!

See you on Tuesday!
