

Dear Parents and Carers,

Today we had our Summer Science Fair! This was a fantastic opportunity to raise the profile of Science and enable children across the school to carry out Science investigations. It was great fun for everyone and very beneficial for the children standing up to present in front of others using scientific terminology. Children welcomed Sue Hayward a scientist from Fun Science to enjoy finding out more about Chemical and Physical reactions. They worked in groups to carry out even more experiments and discussed the results of their findings. We have a special Science judge in this afternoon, so we will share prize winners with you next week-Thank you to everyone who took part!

Class Parent assemblies continue next week, with Badgers at 2:15pm on Monday!
Don't forget about our Summer Fair on 14th July.
Take care and have a lovely weekend,

Mrs Rowena Kaminski
Headteacher

Summer Fair! Friday 14th July 3-5:30pm

Bewilderwood Trip – 19th July 2023.

We are looking forward to our whole school trip to Bewilderwood on the 19th July! Please check your emails for further details and to confirm your child's attendance – any questions, just ring us in the office!

Autumn term starts: Monday 4th September.

Last day of term - Special treat!

We have arranged for the ice-cream man to visit the school on the last day of term at 2pm, so that all the children and staff can enjoy an ice-cream together on the field for our last day together this term. The children can choose from a cornet or a ice-lolly. The cost will be reduced to £2, if you'd like your child to take part, please pay via school money

The Global Goals - Did you know..

This week Miss Upton focused her worship on the **NHS Anniversary** by reading **One Hundred Steps by Captain Tom Moore**. The National Health Service (NHS) turned 75 on 5 July 2023, and people up and down the UK took part in events to celebrate it. Since 1948, the NHS has been treating patients and making huge breakthroughs in medicine, such as delivering the world's first liver, heart, and lung transplant in 1987.

BBC Newsround have a great article and video here:

Challenge: A service of thanks was held in London and was attended by lots of very important people. Where was the service held?

WORSHIP

The value this term is: JOY!
Our chosen bible story: The lost coin
Our chosen worship songs: All Things Bright and Beautiful & Who Put The Colours in The Rainbow?
Secular stories linked to this value: Augustus and His Smile by Catherine Rayner, Because of You by B. G. Hennessy, Where Happiness Begins by Eva Eland, Happiness is a Watermelon on Your Head by Daniel Hahn
If you have any examples of how you have brought joy to others, please let us know so that we can share in our worship!
