Dear Parents and Carers,

As a Church of England school, we have Christian beliefs and values at their heart of everything we do. Did you know that our school motto comes from biblical roots? I have created a short video to explain how [here](#).

Our school motto Shine Bright and reach for the stars reminds us of the importance of our actions. To be Courageous Advocates. Our actions allow us to let our light shine.

As we are settling into new classrooms and getting to know each other better, we have learned this week about how important our actions and words impact on others. Our trust behaviour policy has three simple rules – *Be Safe, Be Respectful and Be Ready*. As a school we have explored what this looks like to us in class, at play and around school. Mr Paterson's class in Badgers have talked a lot about how we must use kind words and kind hands to keep ourselves and others safe. They are also creating an anti-bullying video, which we can't wait to see. Miss Thomas and Miss Hunter have also extended our positive actions to think about ways that Squirrel Class can have a positive impact on our local wildlife, and in particular hedgehogs. Watch this space for some exciting activities coming up this term!

Take care and have a lovely weekend!
