Dear Families,

What a busy term we have had, and we have achieved so much! Our Value this term was *Aspire*, which means to direct your hopes or ambitions towards achieving something. And our children have certainly shown this in so many ways, ranging from meeting their personal target in their Maths 99 club, getting better at handwriting, to keeping positive in tough times, and overcoming personal barriers to succeed. In a special assembly this week, the whole school heard about how children across the school have shown the value of *aspire* and were then presented with a star value award from Reverend Armstrong and Mrs Kaminski. Well done, Children, we are so very proud of you!

As part of their Courageous Advocacy and shining their light, children organised a Purple Day to raise awareness of Epilepsy. There are currently 3 pupils in our school affected by Epilepsy. Tate and Erin (from keystone academy) presented a wonderful assembly all about Epilepsy. Children were invited to come to school in non-uniform and wear purple. During the day, children completed activities and Miss Jones said that this was a great opportunity to continue to teach the children about respecting other people for their differences and understanding that everyone is unique. Tate also is raising funds for the charity Young Epilepsy- see link [below](#) to donate! Well done Team Tilstock and thank you to Tate and Erin! What an inspiration to us all!

Thank you to everyone who came to our Easter Service at Christ Church Tilstock. It was wonderful to listen to each class's representation of Easter with songs including Nina Simone's '*Feeling Good*' and The Beatles '*Here comes the Sun*'. We even had a fantastic guitar performance from Sam – well done all of you!

We wish you all a very happy Easter and we look forward to seeing our children back in school on the 8th April!
