

Dear Families,

We are always looking at ways to work with the community to support our local families. The Youth club last week was a brilliant success. I met and chatted with the youth workers, who showed such passion and enthusiasm for ensuring the provision is a success. Parents said there were 'lots of happy smiling faces' as the children emerged from the doors at the end of their session. The club is for children 8-12 years, and we hope more of you will drop in for tonight's session 5:00pm – 6:15pm at the Village Hall.

We also have a fantastic 'Build a Story Sack' workshop starting in June! This will be held in school, and the first part of the session is for adults only, then your child will join you for the second part of the session to work on a range of free fun activities together! All we ask is that you bring your child's favourite book to the first session. You will make your own puppets and games and help your child to love books and reading. You will also learn about strategies to support reading at home. Dates are below- we hope you can join us!

Also, on Wednesday the 8<sup>th</sup> May, at 9am in the school hall, Miss Thomas and Miss Hunter have organised an information session for parents of Squirrel Class to learn all about how children in our KS1 year groups learn through the Enquiry Based Learning method. This may also be helpful for our Reception parents, so you know what to expect as your child journeys into Year 1 in September.

Have a lovely weekend!
