Talking Heads

Friday 4th July 2025

Dear Parents,

This week has been an inspiring one as we marked our transition days, supporting our wonderful Year 6's as they stepped into their new secondary schools, and the rest of our children as they embraced time in new classes in preparation for September. Over the course of three days, our children showed extraordinary maturity, confidence and curiosity as they navigated their new environments. I am incredibly proud of all our children—each and every one of them embodied our school values of hope, joy, aspire, achieve, respect, and nurture. These 'move up days' offer more than just a glimpse of what's ahead; they provide vital opportunities to build early connections with new teachers, ease anxieties, and spark excitement for the next chapter of their educational journey. We look ahead to September with great optimism, knowing our pupils are ready for the challenges and opportunities ahead.

Our free family Learning sessions with Zillah Cope have been a great success for parents and children taking part. If you have a child in Nursery, Reception or Year 1, why not come along to the next one on Wednesday 9th July. You can come into school from 8:30am for a coffee before the session begins.

Have a lovely weekend!
