

Dear Parents and Carers,

As the autumn term brings darker evenings, bonfire celebrations, and busy roads, in school we are making sure our children understand how to stay safe during this time of year. We believe that safety education is a vital part of our curriculum and supports our Christian value of nurture, and respect for others. This term, we are focusing on two key areas:

Road Safety:- Children will learn how to cross roads safely, understand traffic signals, and be aware of their surroundings—especially as visibility decreases in the darker months. These lessons help build lifelong habits that protect them now and in the future.

Fire Safety:- We were delighted to welcome Shropshire Fire Service to our school this week. Their visit was engaging and informative, helping children understand the role of firefighters and how to stay safe around fire, especially during Bonfire Night and other seasonal events.

We encourage you to talk to your child about what they've learned and reinforce these messages at home. Together, we can help our children enjoy the season safely and confidently.

WORSHIP

This term, in worship, we are focusing on the Christian value of **Hope.**

What this means to us:-

- High expectations in everything we do
- Having resilience
- Having positive attitudes
- Working together to achieve our goals
- Understanding each child's hopes and dreams for the future.
- Believing that the world can be better and being prepared to do something

This week in worship we learnt about [Jesus heals a paralysed man](#). We also sang the songs [Lord of all hopefulness](#) [Colours of the day](#) and [Give me oil in my lamp](#).
