

Dear Parents and Carers,

Welcome back to Autumn term 2! There has been a lot going on around school and it has been wonderful to visit all classes to see them engaged in their new learning this term.

Some of our children have been out on trips in the community. As part of our enquiry for this term 'how do people use power and resources to shape our world?', Badgers have been learning about food miles and its impact on the environment. They visited Ford Hall farm and learned about foggage farming- a pioneering technique which ensures all species work symbiotically to support the environment and sustainable farming. The children learned how worms provide nutrients to the soil and how dung beetles and cow pats help the grass the stay healthy! They observed animals in their natural habitats and enjoyed the wonderful landscape. They saw butchers in action and appreciated the different stages food goes through before it reaches our plates. The children were respectful and inquisitive and it was a fantastic experience! Well done Badgers!

And congratulations to Lyla, one of our Year 6 pupils, who will be starring as Annie in the upcoming production of Annie at Theatre Severn this month. The show will be playing on 13th, 14th, 15th and 16th November for evening, and afternoon shows. You can grab a ticket on <https://www.theatresevern.co.uk/shows/whatson/annie/>

Have a great weekend!

Mrs Rowena Kaminski
Headteacher

WORSHIP

This term, in worship, we are focusing on the Christian value of Nurture.

What this means to us:-

- Caring for our school pets
- Caring for our younger pupils
- Caring for our friends
- Caring for our school and classrooms
- Caring for our families
- Caring for ourselves

This week in worship we learnt about how we can show Nurture across our community. We also sang the songs 'Kumbaya' and 'When I needed a neighbour'.

UPCOMING EVENTS

[Click here](#) to view our upcoming events.

Events at a glance:
